AKNOWLEDGEMENT

First of all, I would like to express my thankfulness and praise to God, Jesus Christ, The Almighty God, who gave me faith and strength to walk through even the hardest time in my life. He is always faithful and makes me full of hope. Without His help, this thesis will never be finished at last.

I would like to express my sincerely gratitude to my Supervisor and also as the Secretary of the English Department, Drs. Yulianus Harefa, MEd TESOL, as well as to my Co-Supervisor Dra. Roma Ayuni Lubis, MA, for all their advice, guidance, comments in supervising the draft of writing this thesis.

On this occasion, I also thank Drs. Syaifuddin, MA., Ph.D., the Dean of Faculty of Letters of North Sumatera University, for all the opportunities and facilities given to me till the end of my study in this faculty.

Later, I also thank Dra. Swesana Mardia Lubis, M.Hum as the Head of English Department who has given me supports to finish this thesis.

My special thank to my beloved parents, my father R. Pakpahan and my mother E. Tambunan for their pray, and their endless love that they shared with me, and their material support for my needs.

I also thank my beloved brothers and sister for their supports and endless love during my academic years.

Many thanks are addressed to my friends especially the teachers in Sunday School in my church, for their supports during the process of writing this thesis.
Last but not least, my thanks are also go to all the teachers at Yapim Mabar, for allowing me to do a research in that school.

I hope this thesis would be useful for those who read it especially the students of English Department.

ABSTRAK

Ada 40 siswa yang menjadi contoh dalam analisa ini. Data yang dikumpulkan menggunakan Pre Test dan Post Test.
Setelah dilakukan analisa data, ditemukan bahwa Audiovisual berperan dalam meningkatkan kemampuan mendengar para siswa SMA tersebut. Ditemukan bahwa nilai rata-rata kelas mereka 81 dari responden dalam menjawab pertanyaan yang diberikan, dan nilai rata-rata kelas mereka 72 dari responden itu juga dalam menceritakan kembali isi cerita yang diberikan.
Semoga skripsi ini bermanfaat bagi pembaca secara khusus mahasiswa Jurusan Sastra Inggris sebagai perbandingan untuk menyusun skripsi di masa yang akan datang.
