1. INTRODUCTION

1.1 The Background of the Study

Language is a communication tool for people. By using language people can inform many things and express what they want to show of their feeling. Languages are different between one region with another, each of them is different in grammar, not only in writing but also in speaking.

Rudyanto (2011:68) said, “Conjunctions are words how to connect one word to other word. Conjunctions have three kinds such as coordinating conjunction, correlative conjunction, and subordinating conjunction. “

Conjunctions is one word that can to connect one word to other word or sentences to other sentence. Conjunctions can we find in article, magazine, and other.

This is a mystery novel involving the (apparently) recurring characters of Dillon and Sherlock Sarvick. A string of murders unites FBI agent Dane Carver with the local police of San Fransisco and a homeless woman, with whom Carver falls in love, of course. The homeless woman’s hidden past and Carver’s present combined serve to tell the story of several serial killers in California. In this novel also story about Michael Joseph is viciously murdered in San Fransisco.

The writer choose the novel of Eleventh Hour because in this novel have many conjunctions from chapter to chapter and the writer has read the novel and know about the story in the novel of Eleventh Hour.
