3. THE ANALYSIS

3.1 Analysis

An Analysis of Moral Values

As the author explains in the previous chapter, moral values is a standard that can help us to determine the type of action that is appropriate and useful, whether it is right or wrong. In Greatest Hits song lyrics, the authors found moral values conveyed by this vocal group. The analysis is based on 7 Westlife album's lyrics, they are:

1) You Raise Me Up

The first analysis is You Raise Me Up is a song that was originally composed by the duo Secret Garden. The music was written by Secret Garden's Rolf Løvland and the lyrics by Brendan Graham. After the song was performed early in 2002 by the Secret Garden and their invited lead singer, Brian Kennedy, the song only became a minor UK hit. The song has been recorded by more than a hundred other artists including Josh Groban, who popularized the song in 2003; his rendition became a hit in the United States. The Irish band Westlife then popularized the song in the United Kingdom two years later. "You Raise Me Up" is sung as a contemporary hymn in church services. As in the analysis of song lyrics below:

“You Raise Me Up”

When I am down and, oh my soul, so weary;

When troubles come and my heart burdened be;
Then, I am still and wait here in the silence,
Until you come and sit awhile with me.

You raise me up, so I can stand on mountains;
You raise me up, to walk on stormy seas;
I am strong, when I am on your shoulders;
You raise me up... To more than I can be.

[Instrumental break]
You raise me up, so I can stand on mountains;
You raise me up, to walk on stormy seas;
I am strong, when I am on your shoulders;
You raise me up... To more than I can be.

You raise me up, so I can stand on mountains;
You raise me up, to walk on stormy seas;
I am strong, when I am on your shoulders;
You raise me up... To more than I can be.

You raise me up, so I can stand on mountains;
You raise me up, to walk on stormy seas;
I am strong, when I am on your shoulders;
You raise me up... To more than I can be.
You raise me up... To more than I can be.

In the song lyrics above, the singer wants to describe that, in our daily life, we often encounter and deal with problems that sometimes we can complete yourself, but sometimes we could not solve alone. At the moment we could not solve the problems we face, we feel desperate and discouraged even mind the bad news is we feel human pesky and useless. In circumstances like these, we need the help of another person or a third party could revive the spirit and mentally we were being dropped. There is no problem in this world that there is no solution, all issues must be a way out. And indeed in everyday reality, with the help and encouragement from others, the burden of the problem we face is sure to be reduced and it can make us bounce back from despair and instead we will be tough and strong. That's how life is, in this world we are not alone, do not despair when we face a problem, we need the help and encouragement of others to keep us strong to face life.
2) Against All Odds

Against All Odds (Take a Look at Me Now) is a single coined oleh Phil Collins and released in February 1984 as the soundtrack of a movie of the same name. This song reached number 1 in the Billboard Hot 100 for three weeks from April 15 to May 5, 1984. Until now the song Against All Odds has been sung by several singers one of them was Mariah Carey. Mariah Carey released the single Against All Odds (Take a Look at Me Now) the first time on October 5, 2000 (solo version). Then on September 18, 2000, Mariah Carey re-released the single is a duet with Westlife, a music group from Ireland. As in the analysis of song lyrics below:

"Against All Odds"

[Shane:]

How can I just let you walk away,

Just let you leave without a trace,

When I'm standing taking every breath,

With you, ooohhh,

You're the only one who really knew me,

At all.

[Mariah:]

How can you just walk away from me,

When all I can do is watch you leave,

Cause we shared the laughter and the pain,
And even shared the tears,
You're the only one who really knew me at all.

So take a look at me now,
There's just an empty space,
There's nothing left here to remind me,
Just the memory of your face,
So take a look at me now,
There's just an empty space,
If you're coming back to me it's against all odds,
And that's what I've got to face.

[Mark:]
I wish I could just make you turn around,
Turn around and see me cry,
There's so much I need to say to you,
So many reasons why,
You're the only one who really knew me at all.

[Mariah:]
So take a look at me now,
There's just an empty space,
There's nothing left here to remind me,
Just the memory of your face,
So take a look at me now,
So there's just an empty space,
But to wait for you is all I can do,
When that's what I've got to face.
Take a good look at me now,
Cause I'll be standing here,

([Mark:] Standing here)
And you coming back to me is against all odds,
And that's the chance I've got to take.

[Westlife:] Got to take
Got to take
[Mariah:] Ooh
Take a look at me now
[Westlife:] Take a look at me now.

The second analysis is *Against All Odds* is a song called 'Against All Odds' which has the meaning roughly like this: there are a pair of lovers are forced to separate due to a reason that is not possible anymore for they are united. they both regret and miss each other and together also wants back together. Moral values contained in this song is the conscience because they are coveting each other and need each other.
3) Flying Without Wings

Perhaps many who know this song Flying Without Wings song by "Westlife" but it also never duet with a singer named Christian Castro handsome singer from Spain. The music of this song is very very slick and fun to be heard, loud sounds, soft and strong there all in this song. Collaboration westlife sound personnel with Christian Castro also makes this a very special song. As in the analysis of song lyrics below:

"Flying Without Wings"

Everybody is looking for that something

One thing that makes it all complete

You find it in the strangest places

Places you never knew it could be

Some find it in the face of their children

Some find it in their lover's eyes

Who can deny the joy it brings

When you find that special thing

You're flying without wings

Some find it sharing every morning

Some in their solitary lives

You find it in the works of others

A simple line can make you laugh or cry
You find it in the deepest friendships
The kind you cherish all your life
And when you know how much
that means
You've found that special thing
You're flying without wings

So impossible as they may seem
You've got to fight for every dream
'Cause who's to know
Which one you let go
Would have made you complete

Well for me it's waking up beside you
To watch the sun rise on your face
To know that I can say I love you
At any given time or place
It's the little thing that only I know
Those are the things that make you mine
And it's like flying without wings
'Cause you're my special thing
I'm flying without wings
You're in the place my life begins
and you'll be where it ends
I'm flying without wings
And that's the joy you bring
I'm flying without wings

Flying without wings, this song is a song most and I loved. Although it has been almost 3 years nonetheless is never bored to hear it many times, and even to this day the song Flying Without Wings also be top on my list. This song means a very deep and broad. If interpreted the title of this song means "Flying Without Wings". What is on the fly without wings? Everyone who lives on this earth definitely looking for something where something that could make everything complete his life, happy, and perfect. There are many who think they find something that in a strange place that was never considered or even known in advance. Some were looking for something that in the face of their children. There also are looking for something that in both eyes someone they love. Who can deny that when you've had something of this and something that brings happiness to you then you do not need anymore wings to make you fly into happiness. Because their wings are, something that now you get. Some are looking for something that by sharing in the morning. Some look for time alone in the nights lonely. There were finding something that in the words of others. Simple sentences that can make you laugh or cry. You will find it in a very deep friendship. Friendship will you always remember your life. And when you know how much it really meant something then you no longer need wings to fly in happiness. Like flying without wings. Impossible all!. How could happen if you do not fight?. You have to fight
for every dream. Because if you let go of one dream it then who knows precisely the dream that you lose it will make finding that special something. Who knows precisely later dreams that you disconnect it can make you happy and perfect, which can take you to fly without wings. They said: Well, for me it is something special when I could wake up right beside you and then I could see the rising sun shining on your face and I want to make to you to say that I love whenever and wherever.It is the little things that I know, Things that can make you mine, It feels like I do not need another wing, Because you are special thing in my life, I like flying without wings. You're the place my life begins, But you're also the place my life to end. I do not need wings to fly. Because you are my wings. And that's the joy you brought. I actually fly without wings. This song can be shown to parents, family, friends, or if married can be for your husband / wife but can also be addressed to the whole of our dreams.

4) I Have A Dream

Boyband is very famous in the early 2000s, one of the popular song titled 'I Have A Dream'. Westlife started in 1996 in sligo, a small town in northern ireland. 3 teenagers, Shane Filan, Kian Egan and Mark feehtfy are often active in theater in college ummerhiii. The third person of the teenagers got the lead role in a drama grease and their appearance was a big stepping stone. On one night after the show. When they exercise the vocal jokes. Mary McDonagh suddenly approached him and said. "I want you guys to form a band". After that they started singing the song "take that" a mega popular band in the mid 90s. As in the analysis of song lyrics below:
"I Have A Dream"

I have a dream, a song to sing
To help me cope with anything
If you see the wonder of a fairy tale
You can take the future even if you fail
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream - I have a dream

I have a dream, a fantasy
To help me through reality
And my destination makes it worth the while
Pushing through the darkness still another mile
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream - I have a dream
I'll cross the stream - I have a dream
I have a dream, a song to sing
To help me cope with anything
If you see the wonder of a fairy tale
You can take the future even if you fail
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream - I have a dream
I'll cross the stream - I have a dream

In the Westlife’s song entitled I Have a Dreams there is meaning in which a person who has a dream. If you see the wonder of a fairy tale. "You can take the future even if you fail," meaning in life do not always go the way we want sometimes go up sometimes down. As the proverb says that every failure is the stage of success. Then the lyrics "I believe in angels Something good in everything I see I believe in angels" Having meaning all returned to us how react . In the end only to the owners we would go back and surrender. In the lyrics to "When I know the time is right for me I'll cross the stream" (When I know the time is right for me I'll cross the river). That All our dreams can come true if we can manage the time and have the courage after him. "I have a dream, a fantasy To help me through reality" we have a dream of fantasy, dreams help us to get a reality as the saying goes "If you stop dreaming, then you stop living." And my destination makes it worth the while Pushing through the darkness still another mile "(my goal to make the dream become eligible, while the pressure of darkness still a mile) proverb says" I do not believe in failure; if you enjoy the process, then
there is no term failure. So I think the conclusion the meaning of the song I Have a Dreams (Westlife) To achieve success, we must not only act, but also need to dream, not only plan, but also need to believe.
