ABSTRACT

This paper entitled “Potential Resources of Tongging as a tourism object” discusses about the potential resources in Tongging as a tourism object. Tongging is a village in Merek Region and previously known as a beautiful destination because of the beautiful nature view from the hills. Tongging is surrounded by hills and mountains. Then, according to the title of this paper, where the subject matter of the writing is the potential resources in Tongging. Now, Tongging's became a neglected tourism destination, there are some problems that cause it. However, there are many potentials that can be developed in Tongging. Data is taken from some information of the internet and information from field research as well as evidence of discoveries and manufacture the contents of this paper.
ABSTRAK

ACKNOWLEDGEMENTS

First of all, I would like to say thank to Jesus Christ for all the blessing and spirit that He give to me, so I can finish this paper as one of the requirements to get Diploma III certificate from English Diploma Study Program, University of Sumatera Utara.
