"Tattooed Heart"
You don't need a lot of money
Honey you don't have to play no games
All I need is all your loving
To get the blood rushing through my veins

I wanna say we're going steady
Like it's 1954,
No, it doesn't have to be forever
Just as long as I'm the name on your tattooed heart

(tattooed heart)
(tattooed heart)
(tattooed heart)
(tattooed heart)
(tattooed heart)
(tattooed heart)

You don't need to worry about making me crazy
'Cause I'm way past that
And so just call me, if you want me
'Cause you got me, and I'll show you how much I wanna be on your tattooed heart

(tattooed heart)
(tattooed heart)
(tattooed heart)
(tattooed heart)
(tattooed heart)
(tattooed heart)

Just as long as I'm the name on your tattooed heart

Wrap me in your jacket, my baby
And lay me in your bed
And kiss me underneath the moonlight
Darling let me trace the lines on your tattooed heart

(tattooed heart)
(tattooed heart)
(tattooed heart)
(tattooed heart)
(tattooed heart)
(tattooed heart)

Just as long as I'm the name on your tattooed heart

**Dangerous Woman**
Don't need permission
Made my decision to test my limits
Cause it's my business, God as my witness
Start what I finished
Don't need no hold up
Taking control of this kind of moment
I'm locked and loaded
Completely focused, my mind is open

[Pre-Chorus]
All that you got, skin to skin, oh my God
Don't ya stop, boy

[Chorus]
Somethin' 'bout you makes me feel like a dangerous woman
Somethin' 'bout, somethin' 'bout, somethin' 'bout you
Makes me wanna do things that I shouldn't
Somethin' 'bout, somethin' 'bout, somethin' 'bout

[Verse 2]
Nothing to prove and I'm bulletproof and
Know what I'm doing
The way we're movin' like introducing
Us to a new thing
I wanna savor, save it for later
The taste of flavor, cause I'm a taker
Cause I'm a giver, it's only nature
I live for danger

[Pre-Chorus]
All that you got, skin to skin, oh my God
Don't ya stop, boy

[Chorus]
Somethin' 'bout you makes me feel like a dangerous woman
Somethin' 'bout, somethin' 'bout, somethin' 'bout you
Makes me wanna do things that I shouldn't
Somethin' 'bout, somethin' 'bout, somethin' 'bout you

[Refrain]
All girls wanna be like that
Bad girls underneath, like that
You know how I'm feeling inside
Somethin' 'bout, somethin' 'bout
All girls wanna be like that
Bad girls underneath, like that
You know how I'm feeling inside
Somethin' 'bout, somethin' 'bout

[Instrumental Bridge]

[Chorus]
Somethin' 'bout you makes me feel like a dangerous woman
Somethin' 'bout, somethin' 'bout, somethin' 'bout you
Makes me wanna do things that I shouldn't
Somethin' 'bout, somethin' 'bout, somethin' 'bout you

[Refrain]
All girls wanna be like that
Bad girls underneath like that
You know how I'm feeling inside
Somethin' 'bout, somethin' 'bout
All girls wanna be like that
Bad girls underneath like that
You know how I'm feeling inside
Somethin' 'bout, somethin' 'bout

[Outro]
Yeah, there's somethin' 'bout you boy
Yeah, there's somethin' 'bout you boy
Yeah, there's somethin' 'bout you boy
Yeah, there's somethin' 'bout you boy
(Somethin' 'bout, somethin' 'bout, somethin' 'bout you)
Yeah, there's somethin' 'bout you boy
Yeah, there's somethin' 'bout you boy
Yeah, there's somethin' 'bout you boy
Yeah, there's somethin' 'bout you boy
(Somethin' 'bout, somethin' 'bout, somethin' 'bout you

Moonlight
The sun is setting in your eye, here by my side
And the movie is playing, but we won't be watching tonight
Every look (every look)
Every touch (every touch)
Makes me wanna give you my heart
I be crushin’ on you, baby
Stay right where you are ‘cause

I never knew
I never knew you could hold moonlight in your hands
Till the night I held you, you
In the moonlight, moonlight

I kiss his fingertips
Have a wish that he's all mine
He’s giving me Elvis with some James Dean in his eyes
Puts his lips on my neck
Makes me wanna give up my body
I've been fallin’ for you baby
And I can't just stop, ‘cause

I never knew
I never knew you could hold moonlight in your hands
Till the night I held you, you
In the moonlight, moonlight
Baby, I've been fallin’
You're my moonlight, moonlight

Baby I

Baby, I got love for thee
So deep inside of me
I don't know where to start
(Yeah, yeah, yeah, yeah, yeah)
(Yeah, yeah, yeah, yeah, yeah)
I love you more than anything
But the words can't even touch what’s in my heart
(Yeah, yeah, yeah, yeah, yeah, yeah)
No, no
(Yeah, yeah, yeah, yeah, yeah, yeah)

When I try to explain it I be sounding insane
The words don’t ever come out right
I get all tongue-tied and twisted
I can’t explain what I’m feeling
And I say, baby, baby,
Oh, woah, oh, woah,
Baby, baby

(Baby I) oh, baby, oh, baby, my baby
(Baby I) oh, baby, baby I
(Baby I) all I’m tryna say is you’re my everything, baby
But every time I try to say it
Words, they only complicate it
Baby, baby (oh, whoa, oh, whoa)

Baby, I’m so down for you
No matter what you do (real talk), I’ll be around
(Yeah, yeah, yeah, yeah, yeah,)
(Yeah, yeah, yeah, yeah, yeah, yeah)
Oh, baby
See Baby, I been feelin’ you
Before I even knew what feelings were about
(Yeah, yeah, yeah, yeah, yeah,)
Oh, baby
(Yeah, yeah, yeah, yeah, yeah, yeah)

When I try to explain it I be sounding all crazy
Words don’t ever come out right
I get all tongue-tied and twisted
I can’t explain what I’m feeling
And I say Baby, baby (oh, whoa, oh, whoa)
Baby

(Baby I) oh, baby, oh, baby, my baby
(Baby I) oh, baby, baby I
(Baby I) all I’m tryna say is you’re my everything (baby)
But every time I try to say it
Words, they only complicate it
Baby, baby (oh, whoa, oh, whoa)
Baby, baby

Straight up you got me
All in, how could I not be,
I sure hope you know (I sure hope you know)
If it's even possible, I love you more
Than the word love can say it (say it)
It's better not explaining
That's why I keep saying...

(Baby I) oh, baby, oh, baby, my baby
(Baby I) oh, baby, baby I
(Baby I) all I'm tryna say is you're my everything, baby
But every time I try to say it
Words, they only complicate it
Baby, baby (oh, whoa, oh, whoa)
Baby, baby

(Baby I) oh, baby, oh, baby, my baby
(Baby I) oh, baby, baby I
(Baby I) all I'm tryna say is you're my everything, baby
But every time I try to say it
Words, they only complicate it
Every time I try to say it
Words, they only complicate it
Every time I try to say it
Words, they only complicate it
Baby, baby (oh, whoa, oh, whoa)
Baby, baby

Emotions

Mhmm...

You've got me feeling emotions
Deeper than I've ever dreamed of
You've got me feeling emotions
Higher than the heavens above

I feel good, I feel nice
I've never been so... Satisfied
I'm in love, I'm alive
Intoxicated, flying high

It feels like a dream
When you touch me tenderly
I don't know if you're for real
but I like the way you feel
Inside...

You've got me feeling emotions
Deeper than I've ever dreamed of
You've got me feeling emotions
Higher than the heavens above

In the morning when I rise

Universitas Sumatera Utara
You are the first thing in my mind
And in the middle of the night
I feel your heartbeat next to mine

It feels like a dream
When you love me tenderly
I don't know if you're for real
but I like the way you feel
Inside

You've got me feeling emotions
Deeper than I've ever dreamed of
You've got me feeling emotions
Higher than the heavens above

You've got me feeling emotions
Deeper than I've ever dreamed of
Oh baby,
You've got me feeling emotions
Higher than the heavens above

You know the way
To make me lose control
When you're looking into my eyes
You make me feel so... Highhhh

Alright

Ohhh, you've got me feeling emotions
Deeper than I've ever dreamed of
You've got me feeling emotions
Higher than the heavens above

Ohh you've got me feeling emotions
Ohh you've got me feeling emotions
You..
You..
You've got me feeling higher

Put Your hearts Up

Let me see you put your hearts up, yeah
Let me see you put your hearts up, yeah
If we give a little love, maybe we can change the world (change the world)

You think you're so small
Like you're itty bitty.
Just one match in the lights of the city
Walking by strangers on the side of the street
Like a quarter in a cup I'll get 'em up on their feet, like
You think you're never gonna make your mark
Sit back and watch the world while it falls apart, like
Out of sight, out of mind, like, like
It's just a waste of time,
Like, like, like
Hey yeah yeah yeah yeah
Hey yeah yeah
If we give a little love
Maybe we can change the world (change the world)
I said
Hey yeah yeah yeah yeah
Hey yeah yeah
Sing it if you're with me
All you boys and all you girls (all you girls)

Let me see you put your hearts up, yeah
Let me see you put your hearts up, yeah
If we give a little love maybe we can change the world (change the world)

Wish in a well, shooting star in the sky
We can do anything if we try
Can't resurrect Gandhi, resurrect king
But if we put our heads together
We can do anything like
You don't have to be a billionaire
You don't have to have much to show how much you care
Like give a wink, give a kiss
Like give a little happiness
Like like like

Hey yeah yeah yeah yeah
Hey yeah yeah
If we give a little love
Maybe we can change the world (change the world)
I said
Hey yeah yeah yeah yeah
Hey yeah yeah
Sing it if you're with me
All you boys and all you girls

Let me see you put your hearts up, yeah
Let me see you put your hearts up, yeah
If we give a little love maybe we can change the world (change the world)

Don't let em bring you down now, down now
Don't let em bring you down now, down now
Ain't got nothing but love now, love now
Ain't got nothing but love now, love now
Don't let em bring you down now, down now
Don't let em bring you down now, down now
Ain't got nothing but love now, love now
Ain't got nothing but love now, love now!

Hey yeah yeah yeah yeah
Hey yeah yeah
If we give a little love
Maybe we can change the world (change the world)
I said
Hey yeah yeah yeah yeah
Hey yeah yeah
Sing it if you're with me
All you boys and all you girls (all you girls)

Let me see you put your hearts up, yeah
Let me see you put your hearts up, yeah
If we give a little love maybe we can change the world

Let me see you put your hearts up, yeah
Let me see you put your hearts up, yeah
If we give a little love maybe we can change the world

Hey yeah yeah yeah yeah

**Honeymoon Avenue**

I looked in my rear view mirror and
It seemed to make a lot more sense
Than what I see ahead of us, ahead of us, yeah.
I’m ready to make that turn
Before we both crash and burn
Cause that could be the death of us, the death of us, baby
You know how to drive in rain
And you decided not to make a change
Stuck in the same old lane
Going the wrong way home
I feel like my heart is stuck in bumper-to-bumper traffic,
I’m under pressure
Cause I can’t have you the way that I want
Let’s just go back to the way it was
When we were on Honeymoon Avenue
Honeymoon Avenue
Baby, coastin’ like crazy
Can we get back to the way it was?
Hey, what happened to the butterflies?
Guess they encountered that stop sign
And my heart is at a yellow light, a yellow light
Hey, right when I think that we found it,
Well, that’s when we start turning around
You’re saying, “Baby, don’t worry,”
But we’re still going the wrong way, baby
You know how to drive in rain
And you decided not to make a change
Stuck in the same old lane
Going the wrong way home
I feel like my heart is stuck in bumper-to-bumper traffic,
I’m under pressure
Cause I can’t have you the way that I want
Let’s just go back to the way it was
When we were on Honeymoon Avenue
Honeymoon Avenue
Baby, coastin’ like crazy
Can we get back to the way it was?
They say only fools fall in love
Well, they must’ve been talking about us
And sometimes I feel like I’ve been here before
I could be wrong, but I know I’m right
We gon’ be lost if we continue to fight
Honey I know, yeah,
We can find our way home
I feel like my heart is stuck in bumper-to-bumper traffic,
I’m under pressure
Cause I can’t have you the way that I want
Let’s just go back to the way it was
When we were on Honeymoon Avenue
Honeymoon Avenue
My baby, coastin’ like crazy
Can we get back to the way it was?
When we were on Honeymoon Avenue
Honeymoon Avenue
Baby, coastin’ like crazy
Can we get back to the way it was?
Baby, you know how to drive in rain
You decided not to make a change
Stuck in the same old lane
Going the wrong way home
I feel like my heart is stuck in... traffic,
I’m under..., pressure, pressure
Let’s just go back to the way it was
When we were on...
(Honeymoon Avenue, Honeymoon Avenue, Honeymoon Avenue, Honeymoon Avenue)
Let’s just go back, back, back.

Be Alright

Ah
Hey ah...
Oh whoa
Hey yeah
(Somehow)

Midnight shadows
When finding love is a battle
But daylight is so close
So don’t you worry ’bout a thing

We’re gonna be alright
Hey!
We're gonna be alright
Hey yeah
Oh yeah
We're gonna be alright
Baby don't you know
All of them tears gon' come and go
Baby you just gotta make up your mind
That every little thing is gonna be alright
Baby don't you know
All of them tears gon' come and go
Baby you just gotta make up your mind
We decided

We're gonna be alright
Hey yeah
We're gonna be alright
Yeah
Hey!
We're gonna be alright

We're in slow motion
Can't seem to get where we're going
But the high times are golden
Cause they all lead to better days

We're gonna be alright
Hey!
We're gonna be alright
Yeah
Oh yeah
Oh yeah
We're gonna be alright

Baby don't you know
All of them tears gon' come and go
Baby you just gotta make up your mind
That every little thing is gonna be alright
Baby don't you know
All of them tears gon' come and go
Baby you just gotta make up your mind
We decided

We're gonna be alright
Hey!
We're gonna be alright
Ooooh baby
Ooooh yeah
Oh yeah
We're gonna be alright
We're gonna be alright
(Somehow)
